

ASHDOWN HOUSE · TABLE TENNIS LADDER

WHO RULES THE TABLE?

A public Elo ladder for the ping-pong table downstairs.
No accounts, no app, no excuses. Play, tap in the result, and watch your name climb the board.

1 CREATE YOUR NAME

Once. Full name, MIT username, or anything the house will recognise. You start at 1000.

2 RECORD A MATCH

Two names, tap the winner, done. Doubles works too. Anyone can file it, and every match is public.

3 WATCH THE BOARD

The ladder updates the moment you submit. Winner takes points, loser gives them up. First place wears the crown.

THE RULE

$$R' = R + K(S - E)$$
$$E = \frac{1}{1 + 10^{(R_{\text{opp}} - R)/400}}$$

K = 32 singles **K** = 16 doubles start **1000** **S** = 1 win, 0 loss
